

SPECTACLE FRAME RANGE

(Classic, Classic Network and Optimum Options)

SELECTING YOUR FRAME

“Your spectacle frame can be a part of your identity and how people generally recognize you.

Your spectacle frame can be a part of your identity and how people generally recognize you. Your frame may reflect who you are, your lifestyle and can create the image you want the world to notice.

Your look can be focused on being sophisticated, maybe fun-loving, or perhaps bold if you are style conscious.

WHAT FRAME CAN I CHOOSE

It is advisable to first view the range of frames within your medical aid optical benefit and then make your selection. This you can do by visiting a network provider. Go to www.ppn.co.za and click on “Find a practice” and a list of the PPN providers in your selected area will be displayed for you.

PPN network providers have their own range of frames which will include frames that will fit your optical benefit limit

LOOKING FOR SOMETHING SPECIFIC?

Don't feel rushed if you are looking for a specific frame or look and feel.

Once you have selected your network provider you can visit your network provider to view their range available or email serviceexcellence@ppn.co.za with a picture of the frame you have in mind and we will assist you to source a similar frame from your selected or nearest network provider.

FIND A NETWORK PROVIDER

Visit www.ppn.co.za to find your nearest optometrist or email the PPN team at info@ppn.co.za who will assist you with any optometry questions.
